 - Downtown Mural: last month Janice came to us with another mural idea. We like the mural but it's very pricey, and we have no budget this year. We face budget, design, and stucco falling off issues. Potential idea: different shaded types of flowers in purple with a Welcome to Eatonton text. However, having a one on the side of Aaron's could be dangerous as people might stand in the middle of the street to take the picture and get hurt
 - Homework: find a spot for the mural that's safe, and a design
 - Color alternate blocks on the side of Nina's just for visual interest
 - Side top of Rabbit Hole on brick coming IN to town
